

# URBAN WARFARE 2005

## Tactics, Technologies and Theories for the Urban Warfighter

**Conference: 12-13 April, 2005**

**Optional Seminar: 14 April, 2005**

**Washington, DC**

### Capitalize on in-depth sessions and executive briefings on:

- The warfighter experience: Marine and Army perspective
  - Understand the fundamentals of small wars
  - Discuss the latest critical issues regarding insurgency and counterinsurgency
    - Get briefed on equipping the future force warrior
  - Understand the importance of psychological operations
  - Hear the latest on battlefield health care
- Discuss how to detect and neutralize improvised explosive devices
- Learn about the importance of preparing for joint urban operations

### *Attend this premier event and hear from:*

- Center for Emerging Threats and Opportunities
- Urban Combat Advanced Training Technology (UCATT)
- American Enterprise Institute
- US Army Combat Studies Institute
- Technology Program Office U.S. Army, Natick Soldier Center
- Walter Reed Army Medical Center
- Rapid Equipping Force
- IED Task Force
- The RAND Corporation
- Peace Keeping and Stability Operations Institute
- The Pew Forum on Religion and Public Life

### CONFERENCE CHAIR

*Colonel Randy Gangle (Ret.), USMC,  
Executive Director, Center for Emerging  
Threats and Opportunities*

# 3<sup>rd</sup> ANNUAL EVENT: URBAN WARFARE 2005

Conference: 12 – 13 April, 2005 • Full-Day Seminar: 14 April, 2005 • Washington, DC

2

## YOUR INVITATION TO ATTEND

*Training for the Future Today*

3 Bethesda Metro, Suite 700, Bethesda, Maryland 20814  
Tel: 1.888.558.5539 Fax: 1.800.558.6520 [www.usindefense.org](http://www.usindefense.org)

Dear Colleague,

Success in urban warfare has become one of the most pressing concerns for U.S. Armed Forces. Our troops' experiences in Iraq and Afghanistan have highlighted both some of the ongoing strengths and evolving challenges we face in effectively contesting this battlespace.

*Urban Warfare 2005* presents to you leading experts in urban combat who will provide insight into the latest tactics, technologies and theories that our troops need to succeed. At this 3rd annual conference you will learn from active military personnel with recent operational experience, as well as some of the leading gurus in urban training and doctrine. Understand key USA and USMC initiatives that are under development and identify vital programs soon to be implemented.

Some of the key issues you'll learn about include:

- Identify how to effectively deal with insurgents
- Learn about forthcoming equipment for the urban warrior
- Maximize your working knowledge of psychological operations
- Strengthen your understanding of medical attention provided in urban operations
- Master the challenges surrounding the detection and neutralization of IEDs
- Walk away with a clear forecast for upcoming stability operations

Plus! Don't miss out on our full-day post conference Cultural Training Seminar. With such a strong presence in the Middle East you must acquire a solid understanding of the politicization and militarization of foreign cultures.

Urban warfare is key to the ongoing success of our overseas initiatives. This conference is your opportunity to ensure that you are up to speed on the most important developments in this area. Don't miss out. Register today!

Sincerely,

A handwritten signature in blue ink, appearing to read "R. Gangle", is written over a light blue rectangular background.

Col (ret) Randy Gangle  
Conference Chair

# 3<sup>rd</sup> ANNUAL EVENT: URBAN WARFARE 2005

Conference: 12 – 13 April, 2005 • Full-Day Seminar: 14 April, 2005 • Washington, DC

3

## AGENDA DAY ONE: 12 APRIL 2005

7:00 – 8:15 am Registration; Continental Breakfast

8:15 – 8:30

### Welcome and Opening Remarks from the Chair

**Colonel Randolph Gangle (Ret.) Executive Director,  
Center for Emerging Threats and Opportunities**

8:30 – 9:45

**Major Will “Opie” Mayberry, Combat Assessment  
Officer, Expeditionary Force Combat Assessment  
Team, Marine Corps Center for Lessons Learned**

- Urban CAS/Tactical Air Control Parties
- Urban employment of UAVs

**Captain John Lewis, USMC (ret.) Managing Partner,  
Lewis Defense Consultants**

- Arrival, spring 2004: relief in place with 82nd AB Div., general situation and turnover, reception and perception of Marine forces in the area of operations
- Escalation of actions: movements to contact, political activity, negotiations, Blackwater murders
- April offensive: scheme of maneuver, intent, result, implications of non-combat civilians on the battlefield
- Summer cease fire: Fallujah brigade experiment, negotiations, authority and responsibility, command and control
- November offensive: scheme of maneuver, intent, result
- Lessons Learned: equipment, weapons, C4IST, TTP's

9:45 – 10:30

### Fundamentals of Small Wars

**Colonel Randolph Gangle (Ret.), Executive Director,  
Center for Emerging Threats and Opportunities**

- What's new about small wars?
- Strategic perspectives: non-military aspects, demographics, economics, culture,
- Principles for small wars: objectives, security, and Persistence
- Operational functions in small wars
- Preparing for future challenges

10:30 – 10:45

Networking Break

10:45 – 12:15

### PANEL DISCUSSION

### A NATO Perspective on Urban Warfare

**Gary I. Washam, Chair, Planning & Steering  
Committee, Urban Combat Advanced Training  
Technology (UCATT)**

**Thomas Donnelly, Resident Fellow, American  
Enterprise Institute**

**Lieutenant Colonel Henk J. R. Oerlemans, Head of  
Operational Requirements, Combat Development  
Centre Ground Manoeuvre, Manoeuvre Training  
Centre, The Royal Netherlands Army (RNLA)**

### Representative, Canadian Armed Forces

- This panel will draw attention to key issues for NATO countries involved in urban operations. Discussion will focus on training commonalities and dilemmas.

12:15 – 1:15

Luncheon

1:15 – 2:00

### Insurgency and Counterinsurgency: New Considerations on Urban Terrain

**Lieutenant Colonel Louis DiMarco, Associate Professor  
of Military History, US Army Combat Studies Institute**

- Urban insurgent characteristics and strategies
- Terrorism as an insurgent tactic
- Strategies for counterinsurgency
- ISR against the urban insurgent

2:00 – 2:45

### Revolutionary Technology: Equipping the Future Force Warrior

**Jean-Louis De Gay, Equipment Specialist, Future  
Force Warrior, Technology Program Office U.S. Army,  
Natick Soldier Center**

- New technology being used in Iraq
- Creating the Future Force Warrior for urban battles: current projects
- Forecast: what the future holds in store for soldiers

2:45 – 3:00

Networking Break

3:00 – 3:45

### Tactical Psychological Operations in Urban Warfare

**Representative from The 4th Psychological Operations  
Group, 9th Psychological Operations Battalion,  
United States Army, Fort Bragg, NC**

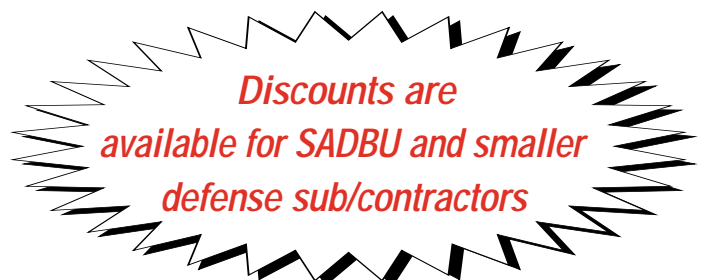

- Effective psychological warfare techniques utilized in the Sunni Triangle
- Target audience analysis: How PSYOP targets target audiences

3:45 – 4:00

### Closing Remarks from Chair

4:00

End of Day One

# 3<sup>rd</sup> ANNUAL EVENT: URBAN WARFARE 2005

Conference: 12 – 13 April, 2005 • Full-Day Seminar: 14 April, 2005 • Washington, DC

4

## AGENDA DAY TWO: 13 APRIL, 2005

7:00 – 8:00 am Continental Breakfast

8:15 – 8:20

### Opening Remarks from the Chair

*Colonel Randolph Gangle (Ret.) Executive Director,  
Center for Emerging Threats and Opportunities*

8:20 – 9:00

### Operational Experiences from Urban Battles in Iraq: Army Perspective — Warfighter Experience

*Lieutenant Colonel Christopher Patrick Hughes,  
National War College; 101st AA Division, Operation Iraqi Freedom*

- Combat, stability and support operations in: Najaf, Hillah, Babylon, and Mosul, Iraq
- Battle lessons: what worked and what didn't
- How to establish a government
- Three block war

9:00 – 9:45

### DARPA's Urban Warfare Programs

*Dr. Robert Leheny, Deputy Director, DARPA*

9:45 – 10:00

Networking Break

10:45 – 11:30

### Understanding Battlefield Health Care

*Lieutenant Colonel George Peoples, M.D, Medical Corps, Surgical Oncology, Walter Reed Army Medical Center, United States Army*

- How are our troops receiving medical care in urban operations?
- What sort of treatment are they receiving?
- Current challenges in Afghanistan and/or Iraq

11:30 – 12:15

### Urgent Needs Being Met: Rapid Equipping Force (REF) — When Every Second Counts

*Major Sherman Gilliard, Operations Chief, Rapid Equipping Force, United States Army*

- Overview: getting equipment to the front line
- How are urgent needs being met in Afghanistan and Iraq?
- Are there new requirements and are they being met?

12:15 – 1:15

Luncheon

1:15 – 2:00

### Responding to Improvised Explosive Devices in Iraq

*Lieutenant Colonel Christopher Patrick Hughes,  
National War College; 101st AA Division, Operation Iraqi Freedom*

*Representative from the IED Task Force*

- IEDs in Iraq: what were encountered
- Training troops for successful responses to IEDs

2:00 – 2:45

### Preparing for Joint Urban Operations

*Dr. Christopher Paul, Associate Social Scientist, The RAND Corporation*

- Observations and lessons learned from the field
- Joint urban training requirements
- Current and future training capabilities

2:45 – 3:00

Networking Break

3:00 – 3:45

### Peace Stability and Reconstruction Operation

*Professor David F. Davis, Director, Peace Operations Policy Program, George Mason University*

- Conceptual Model of Peace Operations
- Examples from Bosnia and Iraq
- Recommendations: collaborative planning with civilians in the lead

3:45 – 4:00

### Closing Remarks from Chair

4:00

End of Day Two

# 3<sup>rd</sup> ANNUAL EVENT: URBAN WARFARE 2005

Conference: 12 – 13 April, 2005 • Full-Day Seminar: 14 April, 2005 • Washington, DC

5

## OPTIONAL FULL-DAY SEMINAR: 14 APRIL, 2005

### Cultural Training Seminar: Understanding Political Islam

**Dr. Pauletta Otis, Senior Fellow in Religion and International Affairs, The Pew Forum on Religion & Public Life**

Your role in the Middle East, whether it be as a soldier on the ground or supplying technology and equipment to our troops, requires a sound understanding of current cultural issues and trends. Looking beyond the faith itself, you must come to terms with the politicization and militarization of culture. This full-day cultural training seminar will teach you how to work with peaceful civilians, avoid unnecessary conflict with cultural sensitivity and understand how you, as a foreigner, are looked-upon.

#### MORNING:

- Religion and violence
- Theology of violence: Islam, Christianity, Judaism, Hindu, Buddhist
- Codes of the warrior: Arab and Islamic fighting rules
- Cultural and religious intelligence: what we need to know and when we need to know it
- The strategic private: force protection and mission success
- Religious factors in stability and support operations

#### AFTERNOON:

- Islam in the Urban Environment: the Profile of Islamic Cities
- Islam : Denominations, Ethnicity, Tribes, and Terrorism Groups
- Islam and Martyrdom
- Islam : Civilians, Women and Children

***This Information  
could be Critical in  
Preventing Injury or Death  
for Allied Combatants in  
Muslim Countries!***

## BUILDING ON A TRADITION OF SUCCESS: HERE'S WHAT YOUR COLLEAGUES SAY ABOUT OUR EVENTS:

*"Well organized. Material and speakers well chosen."*

**David A. O'Steen, Test Director  
U.S. Army Aberdeen Test Center,**

*"It exceeded all of my expectations. The seminar was extremely  
informative."*

**Julia Andrusenko, JHU/APL**

*"Very applicable and useful."*

**Ann M. Swanson, Associate/Systems Engineer  
Booz Allen Hamilton**

## WHO YOU WILL MEET

America's involvement in the Middle East is now more permanent and our troops' presence in cities is increasingly necessary. This content-packed event will provide you with the opportunity to network with experts on the latest experiences in Iraq, operational advancements, tactical successes, and a post-conference crash-course on Political Islam. Attendees will include representatives with responsibilities for:

- |                                   |                           |
|-----------------------------------|---------------------------|
| • Combat Survivability Team       | • Urban Warfare Analysts  |
| • Director, Force Protection      | • LAN Computer Scientists |
| • Targeting and Training Officers | • Project Managers        |
| • Research and Development        | • Strategy Experts        |
| • Defense Analysts                | • Support Officers        |
| • Active Protection Officer       | • Test Managers           |

*Training for the Future Today*

### Location

*Urban Warfare* will be held at a convenient location in Washington, DC. Detailed venue information will be provided with your registration confirmation.

### Accommodation

Registration fees do not include hotel accommodation.

### Event Classification/Security Clearance

This event is unclassified and as a result, attendees are not required to possess security clearance in order to attend. Delegates must, however, have a legitimate interest in helping the United States military forces and its allies tackle the issues dealt with in this event. We reserve the right to require all attendees to provide documentation of their affiliation with a U.S. or allied program and to refuse the registration of anyone who is unable to provide such documentation.

### Cancellation Policy

**Substitutions may be made at any time.** If you are unable to attend, please make cancellations in writing and fax to 1-800-558-6520 **prior to March 30, 2005.** A credit voucher will be issued to you for the full amount, redeemable against any other Infonex Defense conference. If you prefer, you may request a refund of fees paid, less a 15% administration fee.

Registrants who cancel after **March 30, 2005**, will not be eligible to receive any credits or refunds and are liable for the entire registration fees.

Registrants who do not cancel before **March 30, 2004**, and fail to attend will be liable for the entire registration fee.

### The INFONEX DEFENSE Quality Guarantee

We are confident that this event will meet the high quality standards you expect from INFONEX DEFENSE. If not, we will issue you a letter of credit equal to the value of the event. The individual delegate or any member of his or her company may use this letter of credit for two years from date of issue. Write us a letter describing why you were dissatisfied and direct it to the General Manager.
